

Facilities

GSA offers solutions in:

- Facilities Maintenance and Repair
- Facilities Services
- Facilities Solutions
- Facilities Supplies
- Food Service Equipment
- Structures

When you need complete facilities solutions, GSA offers products and services needed to efficiently and successfully meet your mission-related goals. Agencies save both time and money while having access to a vast array of items ranging from plumbing equipment, ground/landscaping; HVAC; temporary structures; as well as the lease or rental of construction equipment and more.

We offer two procurement solutions that meet your agency's Facilities' needs.

The GSA Schedule is a convenient, effective option for both buyers and sellers. Buyers enjoy simplified ordering procedures and reduced prices, while sellers can connect with federal buyers quickly and easily. The Schedule supports compliance but also allows for flexibility to meet your buying needs of:

Benefits:

- Negotiated contract ceiling prices
- Opportunities for discounts at the order level
- Single contracting vehicle to fulfill complex or ongoing needs and reduce overall contract awards and administration
- Less administrative time and contract documentation, since the master contract is managed by GSA
- Meets OMB Mandates for using existing contracts and reaching Tier 2 spend under management [SUM](#) goals
- Socioeconomic credit for orders awarded to small business and other socioeconomic categories

Visit gsa.gov/schedules for more information.

Have you heard about Federal Marketplace Strategy (FMP)?

FMP is GSA's plan to modernize and simplify the buying and selling experience for customers, suppliers, and acquisition professionals. We want to ensure the Federal Marketplace experience of tomorrow is even better than it is today. We would love your ideas and feedback!

Join the FMP Strategy Community of Practice Today! gsa.gov/federalmarketplace.

The New MAS

The new Multiple Award Schedule (MAS) has 12 Large Categories of available offerings including; Facilities, Furniture & Furnishings, Human Capital, Industrial Products and Services, Information Technology, Miscellaneous, Office Management, Professional Services, Scientific Management and Solutions, Security and Protection, Transportation and Logistics Services, and Travel. To learn more visit gsa.gov/schedules.

Acquisition Gateway

Learn more about government-wide categories at the Acquisition Gateway hallways.cap.gsa.gov.

Building Maintenance and Operations (BMO) strategic sourcing solution is a comprehensive and flexible solution covering all high-demand BMO services and has a Best in Class **BIC** designation. It is an open market, multiple-award, indefinite delivery, indefinite quantity (MA-IDIQ), government wide contract vehicle supporting the strategic sourcing initiative to reduce costs and drive efficient purchasing by federal agencies.

There are both unrestricted and small business set aside programs available in the BMO vehicle to allow for large and small business participation. The BMO Small Business (SB) has additional socio-economic categories to help agencies meet their goals.

Benefits:

- Offers a zonal approach to a comprehensive facilities management and maintenance solution, while supporting agency's BIC goals
- Combines fixed indirect rates with variable direct labor rates unique to each location
- Provides standardized labor categories to allow for better evaluation and price comparison
- Enables Firm Fixed Price, Time and Material and Labor hours at the task order level

Visit: gsa.gov/bmo for more information.
